

# Queanbeyan SaCC

## Music and Movement

Children naturally love music! Whether it's soft and soothing or a lively tune, children feel it both physically and emotionally.

Our **Music and Movement** program provides an engaging environment for parents and caregivers to explore musical activities with their children to promote cognitive development, strengthen and nurture bonds and develop emotional intelligence.

**Who is it for?**

*Children from 1 to 2.5 years old  
& their parents/carers.*

**When is it?**

*Wednesdays, 2 pm to 2.40 pm, Term 1/2024*

**Where is it?**
