

Queanbeyan Public School

Creating opportunities, building relationships, achieving success

07/05/2020

Dear Parents,

We have been working very hard in the QPS Library, trialling borrowing for students online, and are pleased to be able to start borrowing books to all students from Week 3. We preselected books for students K-2 and students 3-6 will reserve up to four books they would like to borrow. The timeline is as follows;

Kindergarten students who attend school on Monday 11th May, Week 3 will have 3 books borrowed to them to take home. These books must be returned on or before Monday the 25th May, Week 5, to receive new books on this day.

Kindergarten students, who are ONLY working from home, we will have book packs ready for you when you pick up your work packs at school, in Week 3 or at a time that is convenient for collection. You can contact me for special arrangements to be made for pick up.

To be able to borrow, students need to return all overdue books and please remind your children in years K-4 to bring a library bag (Students 3-6 can check overdues online, in OLIVER. Teachers also have a list of overdue books for their class, you can also contact me via email or phone).

Remember *“Books are a uniquely portable magic”* Stephen King
